A CFCFFL WWP Runner participant' s goal is to raise at least \$1,800 to sponsor a home for a poor family in the Philippines. The runner' s role is to dedicate six months of oneself to an endurance building program that will train one to complete a 13.2 mile run.

## Partner' s Role

The donor' s role is to act as the support for those training for the marathon. The donor can support the runner/walker by sponsoring a CFCFFL WWP Runner participant. As a partner/sponsor, the donor will also aid in the nation building initiative in assisting the poorest of the poor in the Philippines.
